ON MARRIAGE.—HAPPY RELIEF FOR YOUNG MEN from the effects of Errors and Abuses in early life. Manhood restored. Nervous debility cured. Impediments to Marriage removed. New method of treatment. New and remarkable remedies. Books and Circulars sent free, in sealed envelopes. Address, HOWARD ASSOCIATION, No. 2 South Ninth Street, Philadelphia, Pa. Dec 24 3mo

ALL THE YEAR ROUND, and in all parts of the world, the elements of disease are present in the air, the soil and the water, in a greater or less degree, and therefore the GREAT VEGETABLE ANTIDOTE to these invisible enemies of health, Hostetter's Stomach Bitters, is invaluable as a household medicine at all seasons and in every latitude. At no period of the year is a regulating and corrective medicine more needed than toward the close of winter, when the sun and rain are beginning to break up the winter blockade, and from the softening soil arises that terrible miasma, which weighs like an incubus upon the vital machinery, and depresses the animal spirits. It is then that the seeds of intermittent and remittent fevers, of rheumatism and rheumatic gout, of obstinate stomach complaints, of disorders of the liver and bowels, and a whole host of pulmonary and nervous complaints are sown.

The best, the surest way to prevent this disastrous seeding is to invigorate and refresh the system with a course of the Bitters. If this precaution be taken now, there will be no danger of the miasmatic germs taking root in the fluids and tissues of the body, and bringing forth terrible fruit in the spring. Now is the time for prevention. Remember that vigor is the only safeguard against the virus of disease, and that Hostetter's Bitters is the purest, the safest, the most powerful and perfect invigorant ever administered, either as protective medicine or a remedy. A change of season approaches which almost always proves more or less disastrous to persons of a weak, nervous organization. Brace up at once with the leading Tonic of the age. Purge from the blood all morbid matter, strengthen the nerves, and regulate and purify the secretions with the Vegetable Elixir, which combines the juices of the finest medicinal roots, herbs and barks, with the most wholesome of all diffusive stimulants. The Terrible Duel between Prussia and France is over, but thousands of battles between Dr. Walker's Vinegar Bitters and Dyspepsia and Liver Complaint are now going on in every State of the Union. The issue of such contests is never for one moment in doubt. The conflict may last longer in some cases than in others, but the leading Vegetable tonic and alterative of the nineteenth century invariably triumphs.
